IMPACT CORONA OUTBREAK

Working from home, in isolation or chaos, uncertainty, too little work or high workload... This has an impact on organizations.

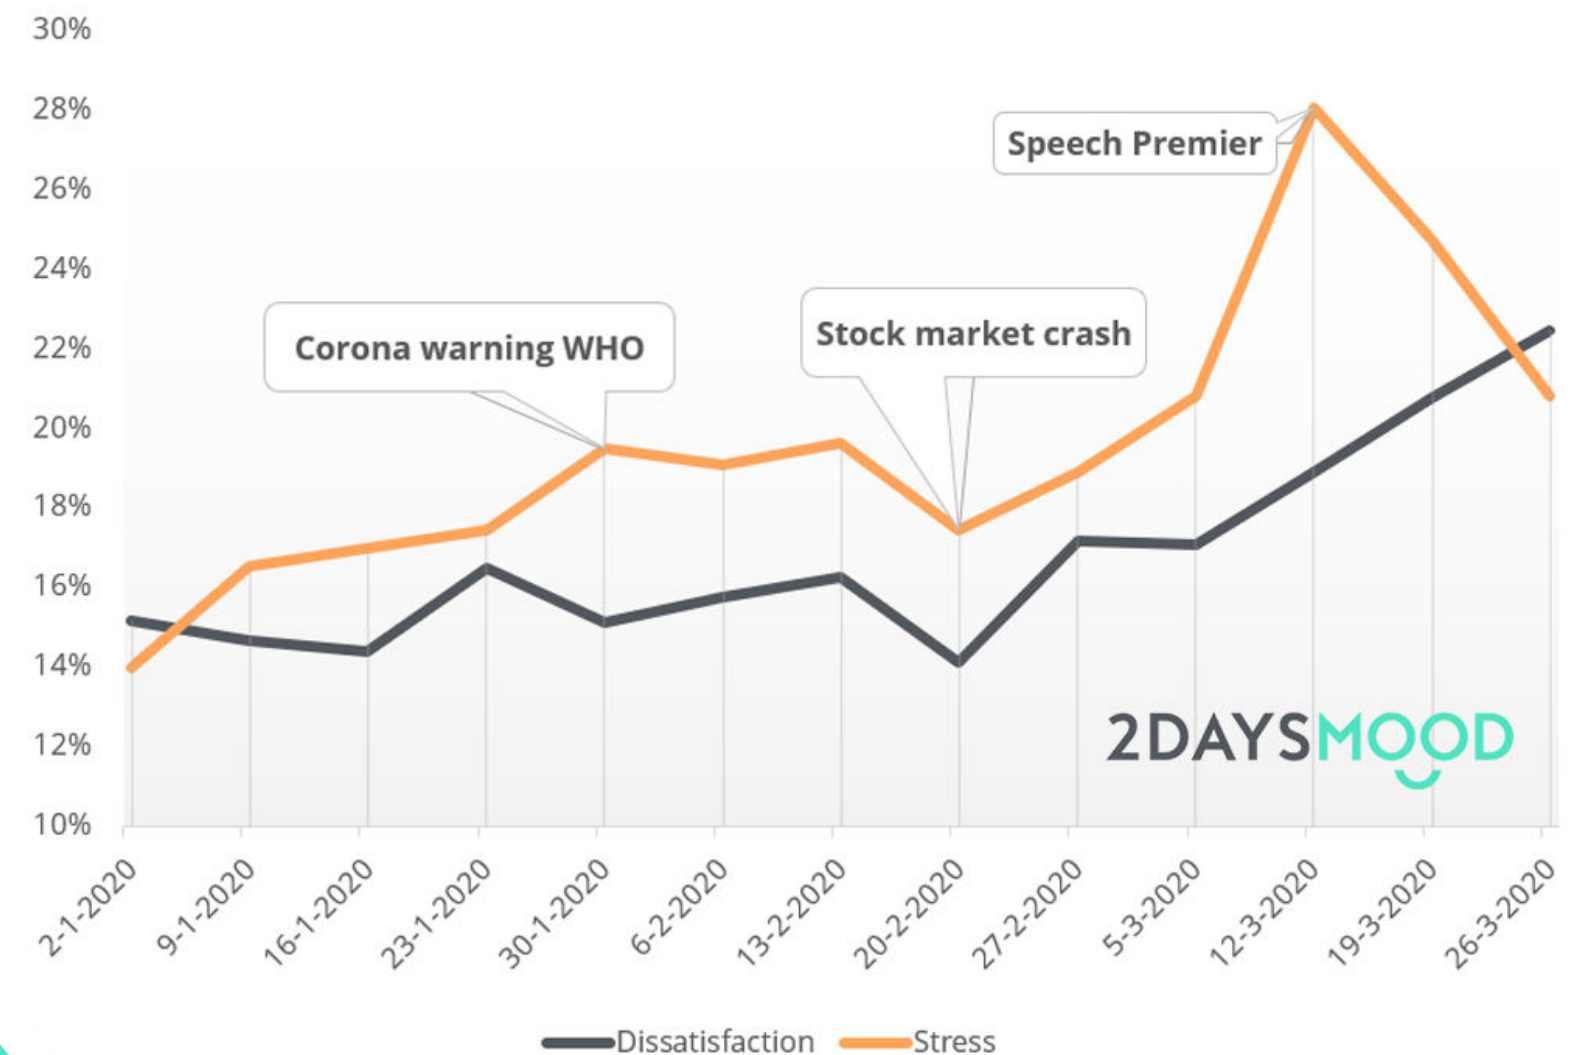

We see that in recent data from >60 companies

Employee well-being, motivation and performance are affected.

How can you, as a (team) leader, make a positive change?

DEVELOPMENT REMOTE MONITOR

Together with People Analytics expert Empatix, we investigated which factors are now decisive for a healthy (remote) working climate, employee well-being and engagement.

As a CEO, HR or team leader you get realtime insight into those factors.

Fast, simple and anonymous!

This way you can effectively cultivate a resilient, connected organization.

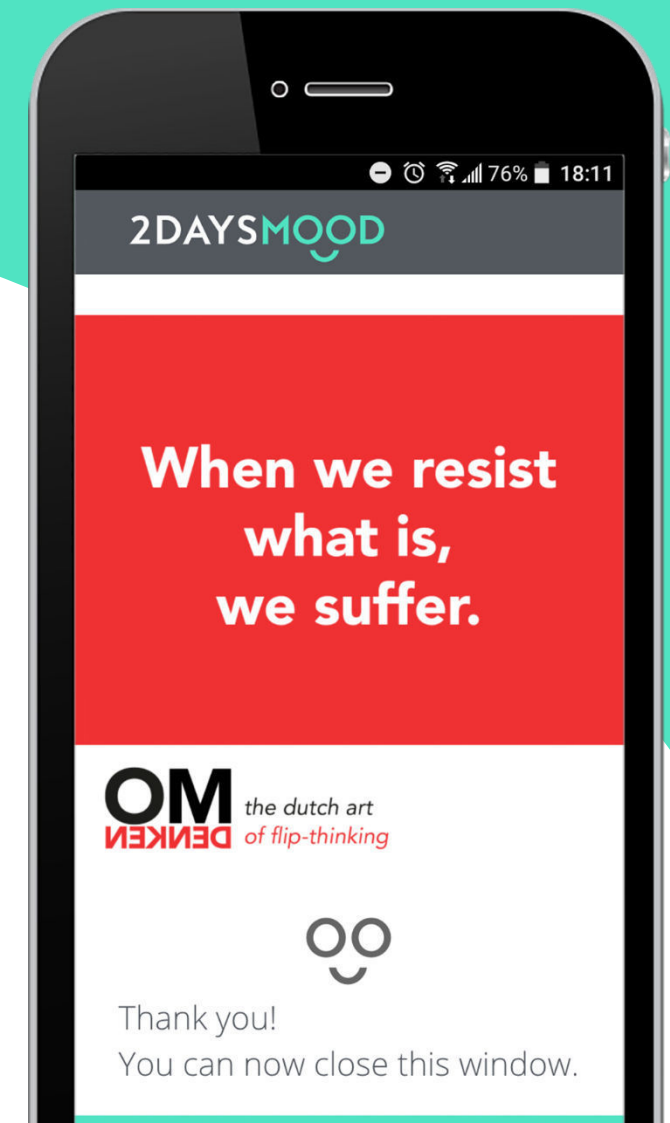

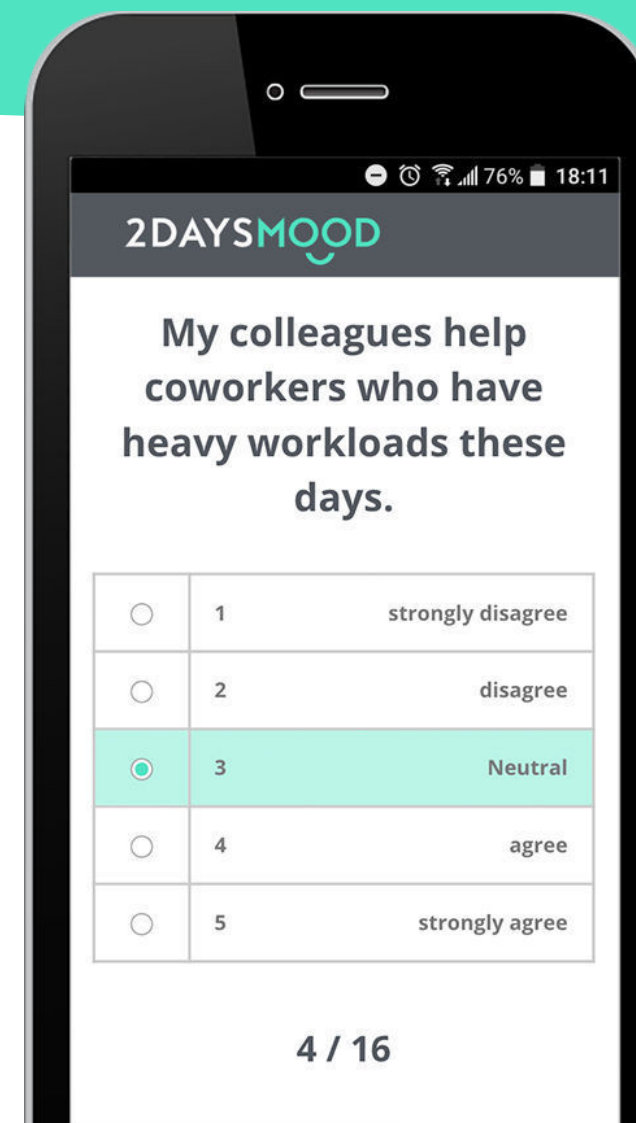

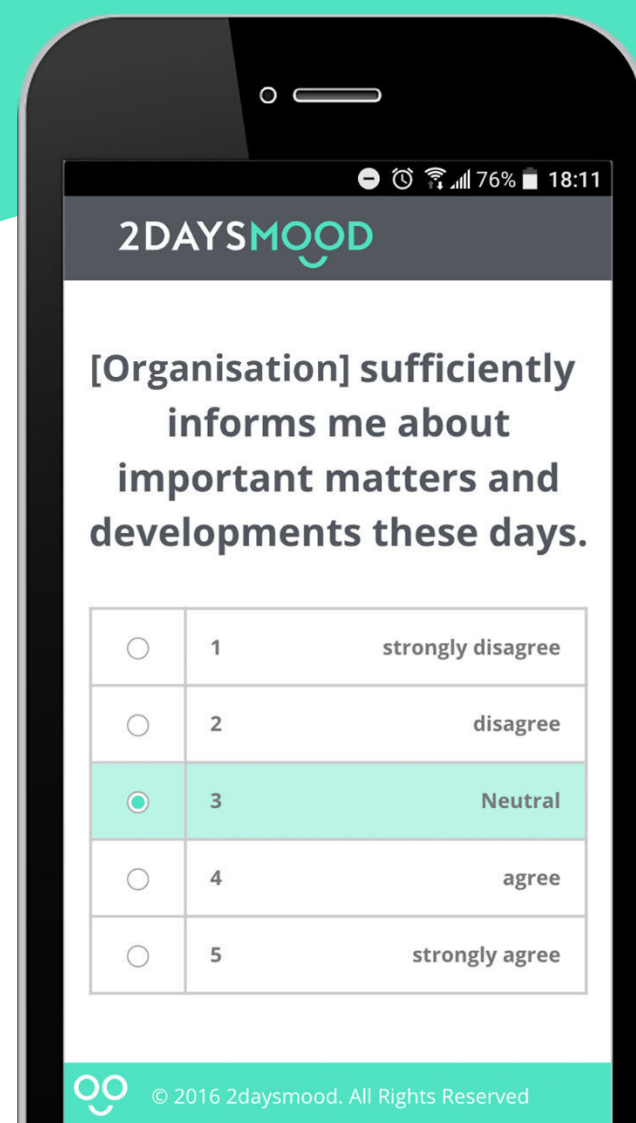

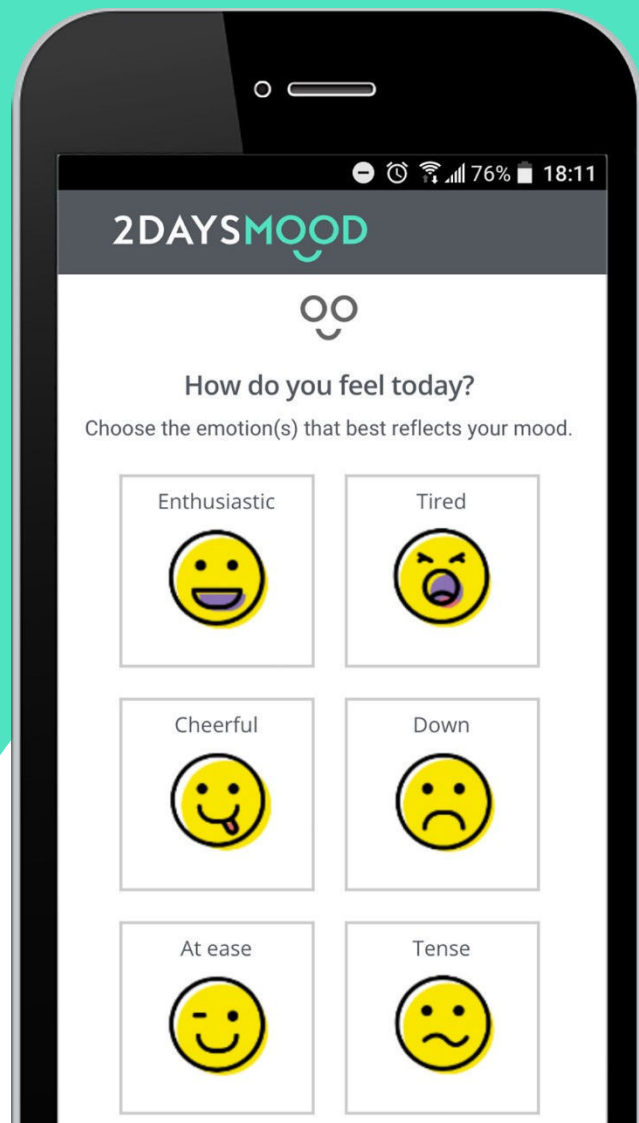

Empatix

PULSE SURVEY IN 60 SECONDS

Employees complete a survey in 60 seconds, completely anonymously, via email or app. They provide feedback on...

- *their mood and well-being*
- *dedication to their work*
- *(lack of) trust*
- *empathy of managers*
- *...and more!*

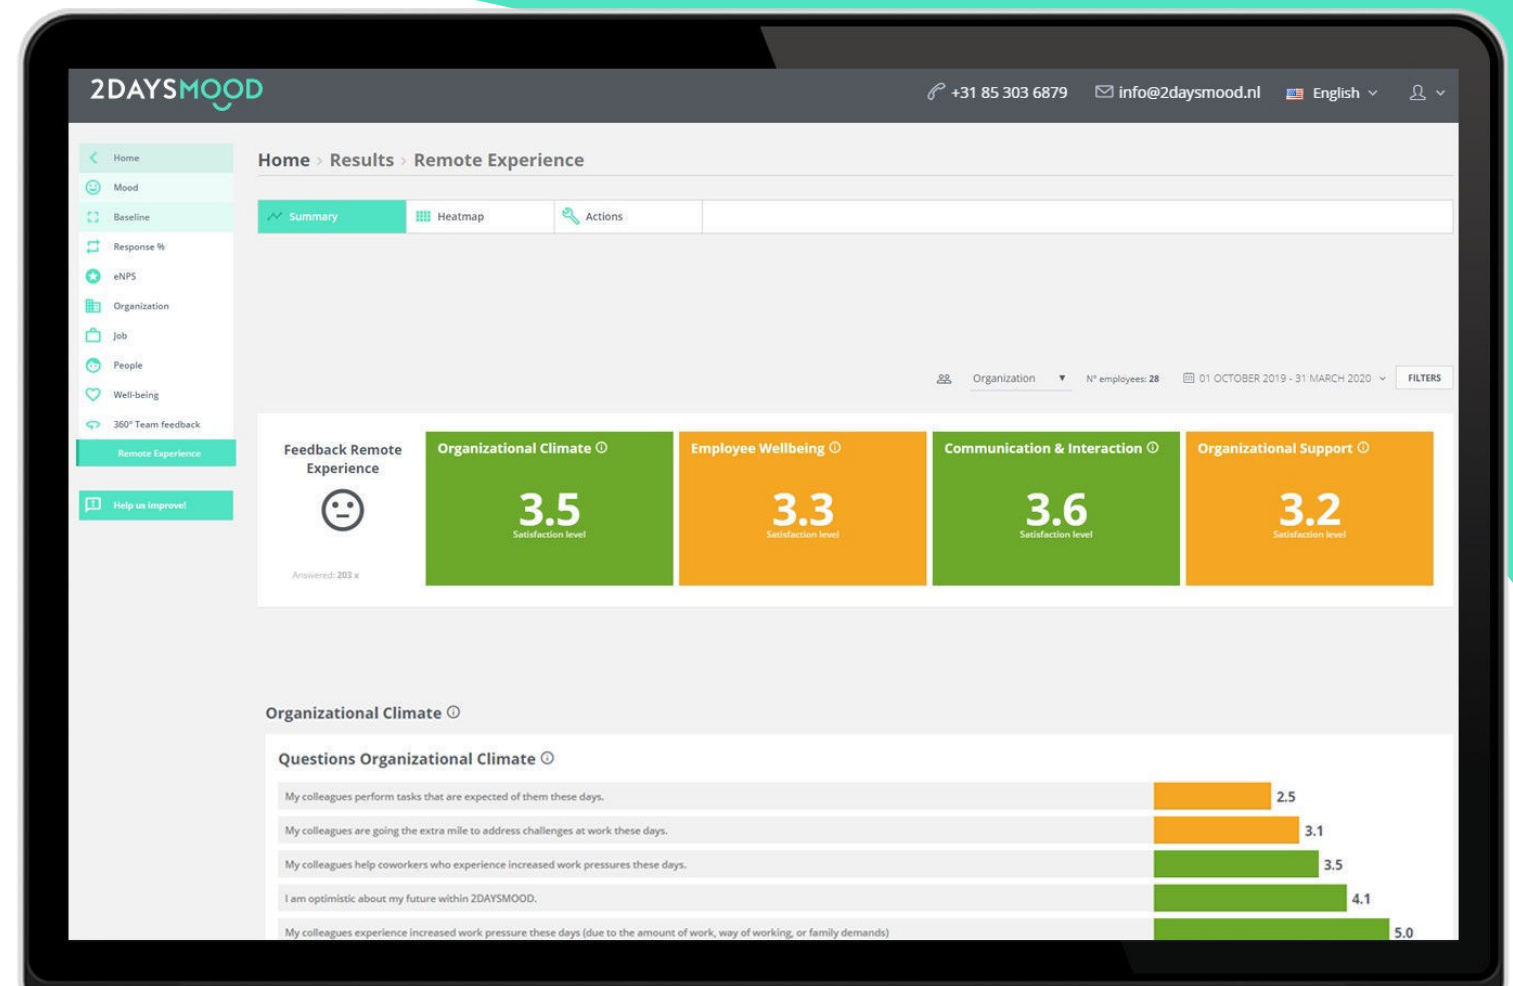

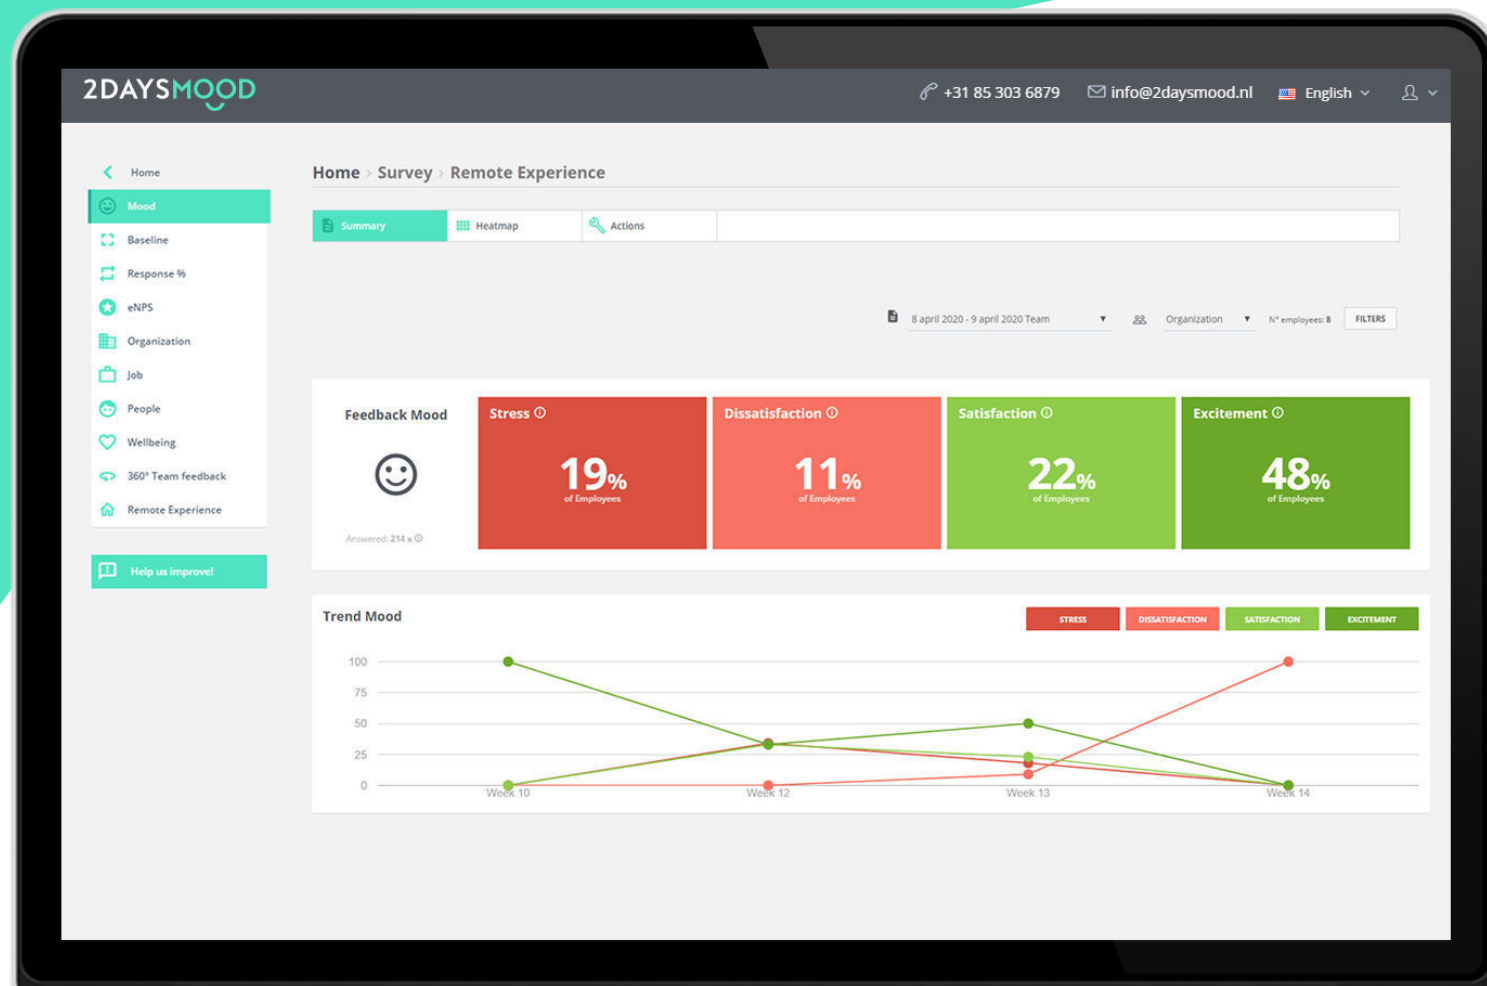

CONTINUOUS INSIGHT & PRIORITY FEEDBACK

You get continuous insight into the results at organizational and team level. Through smart real-time dashboards and weekly reports you can see which themes need attention.

- *Mood percentages*
- *Satisfaction score per question*
- *Answers to open questions*
- *Changes and trends*
- *Heatmap with priorities*

FREE MONITOR & 4 WEEK PROGRAM

We have developed a program to influence the working climate and well-being of your (remote) workforce as positively and quickly as possible.
